| <p>Help us make our school careers displays more interesting! We are looking for STEM Ambassadors who are working in and around Dumfries. We would like help with updating our school careers displays to make sure we have inspirational STEM careers information from local companies. Our students come from a wide range of backgrounds so we are keen to make sure that we represent a range of different careers and the types of people who can do them.</p> <p>We would like information, profiles and images sending to us, by post or by email. Please get in touch if you think you can help and we can work together to decide what kind of information would work best.
