

Present a curriculum linked careers talk

Request STEM Ambassadors to provide an inspirational talk or presentation linked to lesson content. For example, you might request an in-person presentation to kick off a new topic or an online talk on a particular subject area that would benefit from some real-life context.

Take a look at this example activity for ideas on what information you will need for your STEM Ambassador request:

About the Activity	
Activity Name	<i>This will be the first thing the STEM Ambassadors see so make it clear and concise. You can add your school name here to attract local Ambassadors. For example:</i> Worcester primary school needs a space STEM Ambassador
What do you want the STEM Ambassador to do?	STEM Presentation / Q&A
Audience time and date	
About the audience	<i>You can choose multiple ages or audience types. For example:</i> 7 – 11 years
Where will you activity take place?	<i>Will it be online, at your school / college or at an alternative site?</i>
Date and Total duration of the activity?	<i>How many hours will you need them to help you for?</i>
About the STEM Ambassadors you require	
How many STEM Ambassadors will you need?	<i>Depending on your activity, you may need more than 1. For example:</i> 1
General area of expertise	<i>Will they need to have knowledge of a particular area of STEM? For example:</i> Science, Technology, Engineering, Maths
Specific areas of expertise	<i>Are there any areas it would be particularly good if the Ambassador had knowledge or experience of? For example:</i> Space, Astronomy
What is the overall aim of the activity?	Excite our pupils and introduce our space topic
Short description of the activity	
<i>This is where you can describe the activity that you would like the STEM Ambassador(s) to do, it is worth noting where you can/can't be flexible. For example:</i>	
<p>Our year 5 (9 and 10 years old) pupils are going to be learning about space this autumn term. We would like a STEM Ambassador to come to our school and provide an inspirational talk at the end of the topic that shows the pupils lots of different jobs linked to space. The pupils are normally excited about being an astronaut, so if the talk can give them ideas of more jobs, that would be perfect!</p> <p>We would ideally like someone to come to the school, but we could do an online talk if that is better for the STEM Ambassador. We can make time from 2 – 3pm, on a Monday, Tuesday or Wednesday in December.</p>	

How do I request a STEM Ambassador?

Request a STEM Ambassador by visiting [STEM Ambassadors](#) or following the instructions below:

Log in to your STEM Learning account and [create your activity request here.](#)
