

# Seminar rooms

Our modern and well-equipped seminar rooms are intimate and feature expansive windows to fill the rooms with natural lighting.

The simple but innovative design of our four seminar rooms means that each one opens onto a balcony, providing you with both fresh air and a great view of the beautiful natural surroundings. The rooms are divided by partitions, which if required, can be removed to create larger spaces.

#### CAPACITY:

- Each seminar room can comfortably seat 16 people
- Combined with another seminar room, it can seat 24
- Combined rooms have more flexibility with the layout and can be either boardroom or cabaret style

#### TECHNICAL SPECIFICATION:

- Central podium with a built-in AV setup connected to a ceiling projector and wall mounted screen
- The podium comprises of desktop PC, a VGA cable to connect a laptop or tablet, speakers, wireless keyboard and mouse
- Rooms include whiteboards, flipcharts and pens
