## Girls Who Change the World: privacy policy

### How we may use your personal data

- We may process your personal data and that of your students ourselves or through data processors, who will process data on our behalf. In either case, we will remain responsible for ensuring your personal data, and that of your students, is processed in accordance with STEM Learning's Privacy Policy, these Official Rules and all relevant data protection regulations.
- We will only use your personal data and that of your students: fairly and lawfully; as set out in these Official Rules and/or the Privacy Policy; and to the extent necessary for the purposes of the Competition, including arranging your receipt of the prize.
- Winners may be requested to take part in promotional activity and STEM Learning Ltd reserves the right to use the names and schools of winners, their photographs and audio and/or visual recordings of them in any publicity. Winners may be required to take part in further reasonable promotional activities. This will be included on the consent forms that must be signed by a parent or carer of all entrants attending the Final Event, and supplied by you to STEM Learning in advance of the final.
- We will ensure that your personal data and that of your students is not used if we know that it is not accurate and up to date and we will not keep it for longer than necessary. Data relating to entrants will be retained by STEM Learning Ltd for a reasonable period of time after the promotion closes to assist STEM Learning Ltd in operating promotions in a consistent manner and to deal with any queries relating to the promotion.
- Winners' names and school names will be included on the STEM Learning Ltd's website and in the STEM Learning Ltd's eNewsletter. This will be included on the consent forms that must be signed by a parent or carer of all entrants attending the Final Event, and supplied by you to STEM Learning Ltd in advance of the final.
- STEM Learning may disclose your personal data and the personal data of your students to The Walt Disney Company Limited 3 Queen Caroline Street, London, W6 9PE ("Disney") to be used for the following purposes; for Disney to fulfill elements of the Competition including the Education Day and Final and deliver Competition prizes directly to you or your students in accordance with the Official Rules (performance of a contract). Disney will store the personal data for the length of time needed to fulfil the purposes outlined in this Privacy Notice. If you or your students wish to have your information removed prior to this period, please contact us at [datasecurity@stem.org.uk](mailto:datasecurity@stem.org.uk).
- Winners may be requested to take part in promotional activity and STEM Learning Ltd reserves the right to use the names and schools of winners, their photographs and audio and/or visual recordings of them in any publicity. Winners may be required to take part in further reasonable promotional activities. This will be included on the consent forms that must be signed by a responsible adult or carer of all entrants attending the Education Day and Final, and supplied by you to STEM Learning in advance of the Education Day and Final Event.
