

giving
nature
a home

Give your school students a wild experience

Bring your class to an **RSPB** nature reserve for a half or whole day to get an **active outdoor learning experience** in a **natural setting**.

Experience the natural world

Enjoy affordable curriculum-based sessions with our highly qualified staff. They'll engage and inspire your students.

Join us at Saltholme for primary/secondary learning experiences. Get stuck into pond dipping, minibeast hunting, discovering birds, exploring our senses through the seasons or even learn more about ecological surveying.

"Superb visit, very informative. Amazing staff and volunteers. An amazing educational visit."

Silverdale St Johns Primary,
who recently visited one of our
Schools on Reserves sites.

We have a range of habitats for your group to explore on our wetlands reserve. Ideal for an immersive and hands on experience. Come along to discover and learn more about the plants and creatures that live here at Saltholme.
