

# Workshop Information for Key Stages 3, 4 & 5

Our workshops are divided into two categories:

## 'Build-It'

These are structured workshops, using **design technology, maths, and science** to differing degrees. Students create large scale reconstructions of architectural landmarks.

## 'Kre8'

Workshops focusing on **investigation, disassembly and evaluation** as **design and make assignments**. Using **design technology, maths and science** these workshops are designed to stimulate student's **imagination, interpretative and visual problem solving skills** helping to develop **higher order thinking**. Kre8 workshops are often run as year group or inter-school competitions by our regular clients.
