

Key Stage 3

#nofilter

Student worksheet

Your task

Your task is to use social media to try to work out where Sherlock Holmes will be at 7pm tonight.

Rules

You start off with 16 clue tokens. Each clue token can be used to receive a new information card representing either a search or a profile page on a social media site.

Use the information cards to help discover the answer.

To start

Use one of your clue tokens to select card

F – if you want to search Facebook

L – if you want to search LinkedIn

I – if you want to search Instagram

T- if you want to search Twitter

The card you receive will have further instructions

<http://www.oxfordsparks.ox.ac.uk/xxxxxxxxx>

Your answer

At 7pm tonight I think Sherlock Holmes will be

Bonus Questions

What is the address of Sherlock Holmes website?

What food did he eat earlier in the evening?

Who will be with him at 7pm?

Where did he go to University?
