

**Sparkling**  
imagination

STEM Clubs are a powerful and enjoyable way to engage young people with science, technology, engineering and mathematics (STEM) subjects.

- ✓ Enabling young people, their families and the wider community to gain greater knowledge and understanding of STEM subjects in order to relate them to everyday life and potential careers
- ✓ Get inspired and take part in engaging and rewarding activities supported by STEM Ambassadors - enthusiastic volunteers from a wide range of STEM-related jobs and disciplines across the UK who bring the subjects to life

Supported by  **STEM**  
AMBASSADORS
