

How much water do we waste?

Cleaning our teeth

How long should we brush our teeth each day?

How long should we brush our teeth each day?

 2 minutes +  2 minutes

How do you brush your teeth?

How much water is wasted in 2 minutes?

Turning tap off and on

Dripping tap

Gently running tap

Fast flowing tap

What equipment can I use to measure the water?

What equipment can I use to measure the water?

How much water is wasted in 2 minutes?

Turning tap off and on

Dripping tap

Gently running tap

Fast flowing tap

Predictions and results

Water flow	Predicted volume of water to be collected in 2 minutes	Actual volume of water collected in two minutes
Turning tap on/off		
Drip		
Gentle running		
Rapidly flowing		

How much water do we waste? - Calculations

Water flow	Volume collected in 2 minutes	Volume wasted brushing our teeth twice a day (2 times a day x 2mins)	Volume wasted brushing our teeth twice a day (daily volume x7 days)
Turning tap on/off			
Drip			
Gentle running			
Rapidly flowing			

How can we stop wasting water?

Why is it important that we stop wasting water?
