

Water cycle

Are we drinking the
same water that the
dinosaurs did?

Recycling

Which recycling methods do you know about?

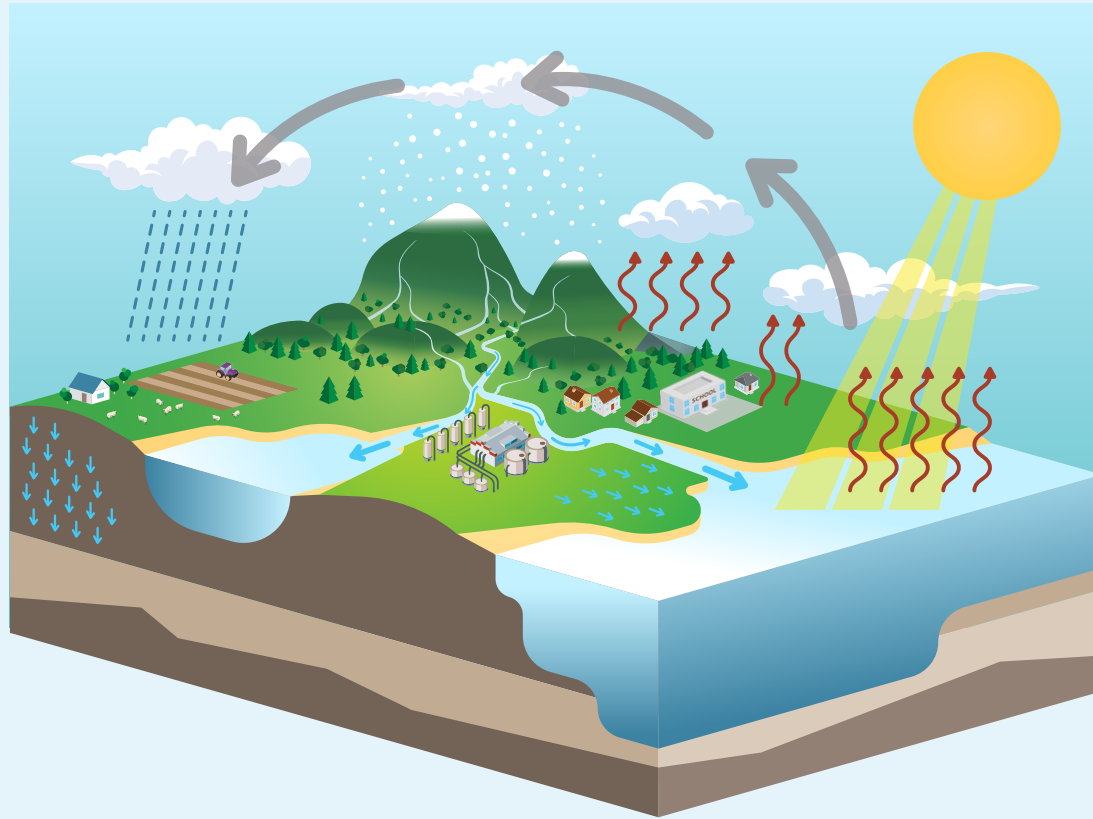

Recycling

Which do you think is the oldest recycling method?

Water cycle

Your own water cycle

You will
need:

Create your
water cycle
in a bag.

Stages of the water cycle

- Which stages can you see in your own model?
- Can you think of any of the stages which you might have seen in other places such as the playground or at home?

Are we drinking the
same water that the
dinosaurs did?
