

Pitch Grading Sheet

You can use this table if you would like to audit the performance of the pitching phase of this activity.

Assessment points	Has the group shown the skill? (Y/N)						
	Group 1	Group 2	Group 3	Group 4	Group 5	Group 6	Group 7
Numeracy skills - Have the team accurately calculated an overall cost for their plan?							
Is the overall cost within the £20 million budget?							
Have the team used a range of flood management systems in their plan?							
Did the team clearly justify their choices, such as the number of homes that are protected and the environmental impacts?							
Communication skills – were the team able to explain their plan clearly?							
Could the team answer follow up questions confidently?							
Additional Notes on teams:
