

**Student Sheet**

What is your opinion? Should we rewild parts of Britain?

Gather information to help you form your opinion on the debate, give your opinion and justify it.

**Section 1 – Arguments for and against rewilding**

What do you think are some of the arguments for and arguments against rewilding?

Arguments for rewilding	Arguments against rewilding

## Section 2 - The debate

Listen to the different views in your role play and make notes.

This will help you to remember the points that are discussed (you don't need to fill in every box).

Role	Arguments for rewilding	Arguments against rewilding
Ann - Local resident		
Local sheep farmer		
Youth rewilding campaigner		
Biodiversity officer at the Environment Agency		
Eco-tourism travel agent		
Chris - Local resident		
Campaigner for Lynx UK		
Campaigner for the reintroduction of wolves		
President of the British Farmers' Association		
Wildlife ranger in a rewilded area		

### Section 3 – Your opinion

Using the information you have gathered on the arguments for and against rewilding parts of Britain answer the question below.

#### ***Do YOU think that we should rewild parts of Britain?***

Explain your thoughts as much as possible using arguments from the characters in the role play and other information you may know to support your opinion.
