

you need:

- pencil or pen

# Making Spirals

Naomi drew this spiral, then wrote instructions for making one like it.

1. Which set of instructions did she write, A or B?

**Instructions A**

- forward 1
- right 90°
- forward 1+1
- right 90°
- forward 1+1+1
- right 90°
- and so on

**Instructions B**

- forward 1
- right 45°
- diagonal 1
- right 45°
- forward 1+1
- right 45°
- diagonal 1
- right 45°
- forward 1+1+1
- right 45°
- and so on

2. Copy this spiral onto dotted paper and continue it.

3. Invent a spiral of your own and draw it on dotted paper.  
Then write instructions for making one like it.
