

### You need:

- pack of playing cards (without the picture cards)
- pile of counters

## Venn diagram game

A game for 2

- Shuffle the cards and place them face down in a pile.
- Each player chooses a different region on the Venn diagram.

- Take turns to choose a card and place a counter in the region on the Venn diagram below that shows where the card belongs.
- The winner is the player with more counters in their region once each player has chosen 10 cards.
