

## 7. Communication

Did you make sure that you understood your challenge and role at the beginning of the day?

How did your team make sure that your presentation included the most important (relevant) information about your project?

How well did you listen to the views of other team members?

Overall, how do you rate your performance today? (Circle one)

**Brilliant**

**Ok**

Please explain why:

What was your contribution to the team presentation?

Have a look at the next step **CREST Bronze Awards** to do more projects like this!

A British Science Association programme

# Discovery Passport

Use this CREST Discovery Award Passport to think about how well you did today.

Name:

Date:

School:

Your challenge:

Be honest about how you performed, and where you need more practice to improve skills.

You will be assessed continuously throughout the day, so as well as enjoying the experience, make sure you contribute as much as you can to your team's effort.

CREST Awards are supported by:

## 1. Self-management

What was your role in the team?

Did you manage your time well?

Were you fully involved in the challenge? (circle one)

ALL DAY  
SOME OF THE DAY  
MOST OF THE DAY

## 2. Team-working

What was your best contribution to the team?

**How** did you support other team members?

## 4. Research

**How** did you find out information relevant to your role in the challenge?

Could you have done **more** research to support the work of your team? (Circle one)

No Yes

Explain why you think this:

## 5. Knowledge

Do you know more about the topic of the challenge than when you started the day? (Circle one)

No Yes

Did you use this new knowledge appropriately in your role within the team? (Circle one)

Yes Mostly Not really

Explain your answer:

What is the most interesting or surprising fact you learnt today?

## 3. Problem-solving

Did your team achieve everything you were asked to do? (Circle one)

Yes Mostly No

Explain your answer:

What was the **biggest challenge** to you personally?

## 6. Skills

**A skill is the ability to perform a certain task, such as follow instructions, solve a problem, work in a team or manage your time. The more skilled you are, the better you can do a task.**

What would you say are the three main **skills** that you have learnt or improved today?
