

HEaTED East Midlands Regional Network Event

University of Derby, Monday 30 March 2015, 09:30 – 16:00

Venue: University of Derby - Derby Campus (main campus) – Room: E703, University of Derby, Kedleston Road, Derby, DE22 1GB. For directions, click [here](#).

Audience: Technicians, Technical Managers, Technical Team Leaders and Staff Development Professionals from all disciplines across the East Midlands Region.

Brief: The HEaTED East Midlands Regional Network provides a forum for discussion and communication between, Technical Staff, Technical Managers and Staff Development/HR colleagues from across and beyond the Region. The Network promotes training events, the sharing of knowledge, skills and best practice amongst Technical Professionals and increased awareness of the opportunities and facilities provided by HEaTED and member institutions. At this time of significant change in the HE/FE environment maintaining a focus on high quality provision of services and taking staff forward through these changes becomes increasingly important.

Objective: To establish a core community of well-networked Technical staff from all levels to lead, manage and deliver services and support to academia for the future.
